Summary information

Repository:	Trent University Archives
Title:	Haliburton Bioregionalism Working Papers Collection
Reference code:	HBWP
Date:	1962-2013 (creation)

Custodial history

Materials were first received in 1993, and added to over subsequent years. The original finding aid for the material is located at the beginning of box 1 and notes which materials came during which years.

Scope and content

Collection includes created by Trent University's Haliburton-centred bioregionalism course. Records includes papers and reports prepared by students, reports and resource material on Haliburton, articles on regionalism, files pertaining to the Golden Lake First Nation land claim, a coursepack binder of resources, and copies of oral history interviews on cassette (originals held by the Haliburton County Museum).

Collection is arranged into 9 series: Student papers; Photocopied book, articles, and other resources on lumbering, agriculture and other topipcs; Audiovisual materials; Haliburton region reports and resources; Haliburton tourism information; Golden Lake land claim files; John Wadland's bioregionalism files; Bioregionalism coursepack and other educational materials; and maps.

Notes

Restrictions on access

None.

Other notes

- **Publication status:** Published
-

Access points

- Wadland, John (subject)
- Vertical Research Files (documentary form)
- Textual records (documentary form)
- Maps and atlases (documentary form)
- Sound recordings (documentary form)

- Film and video (documentary form)

Series descriptions

Series 1: Student papers

Date: 1990-2002 (creation)

Scope and content: Series consists of student research papers, primarily those written for Trent University's course on Haliburton Bioregionalism.

Physical description: 130 folders of textual records

2 audio cassettes

1 VHS

Access points:

- Textual records (documentary form)
- Sound recordings (documentary form)
- Film and video (documentary form)

Arrangement: Boxes 1 - 3 contain student papers received in Trent University Archives prior to March 1993. Papers are listed alphabetically by title. Subsequent accessions added chronologically as received.
