Trent University vertical files

Dates: 1957-2019

Scope and content: Collection consists of assembled files on a variety of topics, places, and people related to Trent University history. Files include news clippings, correspondence, brochures, reports, memos, policies, speeches, programs, and other records. This collection is a great place to begin research on Trent University.

Immediate source of acquisition: Material has come from a variety of sources.

Restrictions on access: None. All records are open.

Location: Collection is located in the Northway Reading Room.

Note: Some file contents are photocopies of original records. In these cases, the date of the original record has been recorded.
