

# Calendar of Prisoners: Cobourg Jail, 1846-1908.

## 84-020 Box 26 Folder 1

The Calendar was prepared for the General Quarter Sessions of the Peace and Assizes which sat 4 times per year: March, June, September and December. The information on each "Calendar of Prisoners" includes: name, place of birth or residence, age, offence, date of committal and any remarks which were entered at the time the prisoners were brought before the General Quarter Sessions of the Peace. Extant reports are incomplete: many sessions within years are missing and some years there are no reports at all.

Index To "Calendar of Prisoners" Awaiting Appearance Before General Quarter Sessions of the Peace, or, awaiting summary sentencing by a Justice, Cobourg Jail 1846 to 1908

N.B. Not all records have survived. There are few years where the Calendars for all four Sessions of the Peace are extant. Some years are completely missing.
