

THE PRESIDENT'S PAGE

DEAR O.C.A. MEMBERS:

Another summer of camping in Ontario is completed and thousands of youngsters and young people have returned to their homes, tanned and full of memories of campfires, blue lakes and the magic of camp.

And what do we do, the creators of that magic? Pay our bills, send the canoes off to be repaired, hopefully have a holiday and start all over again. Part of that "starting all over again" involves our work with O.C.A. and already the pace of the office has quickened as Committees start their winter activities. The next big O.C.A. event is the Directors' Weekend at Bolton on November 6 - 8. It promises to be a most worthwhile event, and one not to miss!

And so another "off season" starts - there is much to be done to keep Ontario Camping a relevant worthwhile experience for those youngsters. I urge you to get involved in the functioning of this, your Association. Why not join a Committee? The Chairmen and their phone numbers are listed below - they would love to hear from you and have your help.

The information in the missing book is invaluable to the Association and is not replaceable. If, by chance you have it in your possession, please advise the OCA Office so that we can make a note of it in our library records and we would ask you to return it as soon as possible.
